Shorthorn

**SHOW
AND SALE**

STOCKYARD'S SALE ARENA

SIoux CITY, IOWA

FEBRUARY 15-16, 1960

Invitation

The most pleasant task this Sale Manager has is to invite all lovers of good cattle to attend our Annual Show & Sale to be held in the Sioux City Stock Yards Sale Arena, across the street east of the yards, on February 15, & 16, 1960.

We also invite you to join us at our beef buffet dinner at the Mayfair Hotel. Tickets are three dollars and we assure you a very excellent dinner and a fine program of interest to all agricultural people.

The Interstate Show & Sale has always been a show window attraction. To offer the best of cattle to the buyers and to allow the public to learn the quality of the better cattle in each consignor's herd.

This is our forty-seventh Annual Show & Sale and each consignor has gone all out to make it the best we have ever offered.

Every animal in this sale has been reserved and consigned as a sale attraction. Most of them were nominated in early fall and have not been on private offer since that time.

Footnotes which appear in this catalogue were furnished by the consignor.

The Association assumes no responsibility for accidents to any person or his property. However, the consignors and their herdsman will exert their skill to prevent injuries of any nature to our guests.

The Sale on Feb. 16th, starting promptly at 12:15 P. M. will be your opportunity to add a few top cattle to your herd or to replace some of your present herd with some of the most attractive individuals of this great breed of beef cattle.

Dr. John Dewar, Secretary, Sale-Mgr.

SCHANER GOLDEN CHAIN 15TH - Had a set back with pink eye in both eyes, and being weaned at the same time. But we are hoping she will look good by sale time, as all by this bull do. She could be a good 4-H heifer. Bangs Vaccinated.

Standard Guarantee

OF THE AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves will be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

8. This shall constitute a contract between the consignor of each lot and its respective purchaser, without involving the inter-state association, its officers, directors, or the sale manager.
